

Legislative Status Report

As of October 2017

Bill #: AB 554	Desalination: statewide goal.			
Legislator/Party	Cunningham	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input checked="" type="checkbox"/> S <input type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/14/2017; Amended: 3/27/2017			
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 6/2/2017 Failed deadline pursuant to Rule 61(a)(8). Last location was APPROPRIATIONS on 5/26/2017. May be acted upon January 2018.			
Summary	<p>Existing law, the Cobey-Porter Saline Water Conversion Law, states the policy of this state that desalination projects developed by or for public water entities be given the same opportunities for state assistance and funding as other water supply and reliability projects, and that desalination be consistent with all applicable environmental protection policies in the state. The law provides that it is the intention of the Legislature that the Department of Water Resources undertake to find economic and efficient methods of desalting saline water so that desalted water may be made available to help meet the growing water requirements of the state. This bill would establish a goal to desalinate 300,000 acre-feet of drinking water per year by the year 2025 and 500,000 acre-feet of drinking water per year by the year 2030.</p> <p>An act to add Section 12946.5 to the Water Code, relating to water resources.</p>			

Bill #: AB 968	Urban water management planning.			
Legislator/Party	Rubio	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input checked="" type="checkbox"/> S <input type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/16/2017; Amended: 4/17/2017			
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 5/26/2017 Failed deadline pursuant to Rule 61(a)(5). Last location was APPROPRIATIONS. Moved to suspense file on 5/10/2017. May be acted upon January 2018.			
Summary	<p>Existing law requires the state to achieve a 20% reduction in urban per capita water use on or before December 31, 2020, and to make incremental progress toward that state target by reducing urban per capita water use by at least 10% on or before December 31, 2015. Existing law requires each urban retail water supplier to develop urban water use targets and an interim urban water use target, in accordance with specified requirements. The bill would require the department, in consultation with the board, to convene a commercial, industrial, and institutional water use efficiency task force by July 1, 2018, to recommend appropriate water efficiency measures for various segments of the commercial, industrial, and institutional water use sector and would require the task force, by December 31, 2019, in consultation with the department and the board, to submit a specified report to the Legislature. Existing law, the Urban Water Management Planning Act, requires every public and private urban water supplier that directly or indirectly provides water for municipal purposes to prepare and adopt an urban water management plan and to update its plan once every 5 years on or before December 31 in years ending in 5 and zero, except as specified. This bill would require each urban retail water supplier to develop a water efficiency target, as defined, for 2025 in its 2020 urban water management plan required to be submitted by July 1, 2021, and to achieve that target. The bill would authorize an urban retail water supplier to adjust and update the water efficiency target, as appropriate, when the supplier reports its compliance in achieving the water efficiency targets and its implementation of the identified performance measures in its 2025 urban water management plan required to be submitted by July 1, 2026. The bill would require each urban retail water supplier to meet its adjusted 2025 water efficiency target by December 31, 2025, unless the supplier makes a certain report to the department. The bill would require the department, by July 1, 2019, to provide to urban retail water suppliers in electronic form a database of validated aerial imagery and measured irrigable area, as specified, and to conduct a statistically valid review of the</p>			

Legislative Status Report

As of October 2017

	<p>accuracy of the information in the database before providing the database to an urban retail water supplier. The bill would extend the deadline for an urban retail water supplier to submit its urban water management plan if the department does not release the database by July 1, 2019, as prescribed. This bill contains other existing laws.</p> <p>An act to amend Sections 10608, 10608.4, 10608.8, 10608.12, 10608.20, 10608.24 of, to add Sections 10608.25, 10608.46, and 10608.47 to, and to add and repeal Section 10608.45 of, the Water Code, relating to water.</p>

Bill #: AB 979		Local agency formation commissions: district representation	
Legislator/Party	Lackey	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R
		<input checked="" type="checkbox"/> S	<input type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/16/2017; Amended: 4/4/2017, 4/6/2017, 5/15/2017; ENROLLED: 8/23/2017; CHAPTERED 9/1/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 9/1/2017 Approved by the Governor. Chaptered by Secretary of State – Chapter 203, Statutes of 2017.		
Summary	<p>Existing law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, provides for the selection of representatives of independent special districts on each local agency formation commission by an independent special district selection COMMITTEE pursuant to a nomination and election process. Existing law requires the executive officer of the commission to call and hold a meeting of the special district selection COMMITTEE upon, among other things, receipt of a written request by one or more members of the selection COMMITTEE, as specified. This bill would additionally require the executive officer to call and hold a meeting of the special district selection COMMITTEE upon receipt of a written request by one or more members of the selection COMMITTEE notifying the executive officer of a pending vacancy for the member representing independent special districts on an oversight board. By increasing the duties of the executive officer, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Sections 56332 and 56332.5 of the Government Code, relating to local government.</p>		

Bill #: AB 1654		Water shortage: Urban Water Management Planning	
Legislator/Party	Rubio	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R
		<input checked="" type="checkbox"/> S	<input type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended: 3/28/2017, 7/3/2017, 7/12/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 7/12/2017 Failed deadline pursuant to Rule 61(a)(11). Last location was RULES on 7/17/2017. May be acted upon January 2018.		
Summary	<p>Existing law requires the state to achieve a 20% reduction in urban per capita water use in California by December 31, 2020. Existing law requires agricultural water suppliers to prepare and adopt agricultural water management plans with specified components on or before December 31, 2012, and to update those plans on or before December 31, 2015, and on or before December 31 every 5 years thereafter. Existing law sets forth various findings and declarations related to water conservation. This bill would state the intent of the Legislature to enact legislation necessary to help make water conservation a California way of life.</p> <p>An act relating to water.</p>		

Legislative Status Report

As of October 2017

Bill #: AB 791	Sacramento-San Joaquin Delta: State Water Project and Federal Central Valley Project: New Conveyance Facility.			
Legislator/Party	Frazier	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input checked="" type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/15/2017; Amended: 3/21/2017			
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 5/26/2017 Failed deadline pursuant to Rule 61(a)95). Last location was APPROPRIATIONS. Moved to suspense file on 5/10/2017. May be acted upon January 2018.			
Summary	<p>Existing law, the Sacramento-San Joaquin Delta Reform Act of 2009, prohibits construction of a new Delta conveyance facility from being initiated until the persons or entities that contract to receive water from the State Water Project and the federal Central Valley Project or a joint powers authority representing those entities have made arrangements or entered into contracts to pay for certain costs required for the construction, operation, and maintenance of the facility and full mitigation of property tax or assessments levied for land used in the construction, location, mitigation, or operation of the facility. This bill would require, before a water contractor enters into a contract to pay for these costs, that the lead agency provide the breakdown of costs for each water contractor entering into a contract and what benefits each contractor will receive based on the proportion it has financed of the proposed conveyance project.</p> <p>An act to amend Section 85089 of the Water Code, relating to the Sacramento-San Joaquin Delta.</p>			

Bill #: AB 792	Sacramento-San Joaquin Delta: Delta Plan: Certification of Consistency			
Legislator/Party	Frazier	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input checked="" type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/15/2017; Amended: 2/21/2017, 2/28/2017, 3/27/2017, 3/28/2017			
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 4/28/2017 Failed deadline pursuant to Rule 61(a)(2). Last location was WATER, PARKS AND WILDLIFE on 3/20/2017. May be acted upon January 2018.			
Summary	<p>Existing law, the Sacramento-San Joaquin Delta Reform Act of 2009, establishes the Delta Stewardship Council and requires the council to develop, adopt, and commence implementation of a comprehensive management plan for the Delta, known as the Delta Plan. The act requires a state or local public agency that proposes to undertake a covered action to prepare and submit to the council a written certification of consistency with the Delta Plan before undertaking that action. This bill would prohibit the council from granting a certification of consistency with the Delta Plan until the board has completed its update of a specified water quality control plan.</p> <p>An act to amend Section 85225 of the Water Code, relating to the Sacramento-San Joaquin Delta.</p>			

Bill #: AB 793	Sacramento-San Joaquin Delta: Financing.

Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was WATER, PARKS AND WILDLIFE on 3/20/2017. May be acted upon January 2018.			

Legislative Status Report

As of October 2017

Summary	<p>Existing law establishes various state water policies, including the policy that source watersheds are recognized and defined as integral components of California's water infrastructure. This bill would declare it to be state policy that the existing state of the Sacramento-San Joaquin Delta is recognized and defined as an integral component of California's water infrastructure. The bill would state that the maintenance and repair of the Delta are eligible for the same forms of financing as other water collection and treatment infrastructure and would specify the maintenance and repair activities that are eligible are limited to certain cleanup and abatement-related restoration and conservation activities.</p> <p>An act to add Section 108.7 to the Water Code, relating to water.</p>
----------------	---

Bill #: AB 975	Natural resources: wild and scenic rivers.						
Legislator/Party	Friedman	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S	<input checked="" type="checkbox"/> O	<input type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/16/2017; Amended 3/23/2017, 5/4/2017						
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	STATUS: 7/14/2017 Failed deadline pursuant to Rule 61(a)(10). Last location was INACTIVE FILE on 6/5/2017. May be acted upon January 2018.						
Summary	<p>Existing law establishes that it is the policy of the state that certain rivers that possess extraordinary scenic, recreational, fishery, or wildlife values shall be preserved in their free-flowing state, together with their immediate environments, for the benefit and enjoyment of the people of the state. This bill would revise that policy to specify that certain rivers that possess scenic, recreational, fishery, wildlife, historical, cultural, geological, ecological, hydrological, botanical, or other similar values shall be preserved in their free-flowing state, together with their immediate environments, for the benefit and enjoyment of the people of the state, and would revise the definition of "immediate environments," and define the term "extraordinary value" for purposes of that policy.</p> <p>An act to amend Sections 5093.50 and 5093.52 of the Public Resources Code, relating to wild and scenic rivers.</p>						

Bill #: AB 1000	Water conservation: certification.						
Legislator/Party	Friedman	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S	<input checked="" type="checkbox"/> O	<input type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/16/2017; Amended: 5/30/2017, 7/3/2017						
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	STATUS: 9/1/2017 Failed deadline pursuant to Rule 61(a)(12). Last location was APPROPRIATIONS suspense file on 8/28/2017. May be acted upon January 2018.						
Summary	<p>Existing law prohibits the state or a regional or local public agency from denying a bona fide transferor of water from using a water conveyance facility that has unused capacity for the period of time for which that capacity is available, if fair compensation is paid for that use and other requirements are met. This bill would notwithstanding that provision, prohibit a transferor of water from using a water conveyance facility that has unused capacity to transfer water from a groundwater basin underlying desert lands, as defined, that is the vicinity of specified federal lands or state lands to outside of the groundwater basin unless the State Lands Commission, in consultation with the Department of Fish and Wildlife, finds that the transfer of the water will not adversely affect the natural or cultural resources of those federal and state lands.</p> <p>An act to add Section 1815 to the Water Code relating to water.</p>						

Legislative Status Report

As of October 2017

Bill #: AB 1427	Water: underground storage			
Legislator/Party	Eggman	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input checked="" type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N

Action Taken	STATUS: 5/26/2017 Failed deadline pursuant to Rule 6a(a)(5). Last location was APPROPRIATIONS. Moved to suspense file on 5/3/2017. May be acted upon January 2018.			
Summary	<p>Under existing law, the right to water or to the use of water is limited to that amount of water that may be reasonably required for the beneficial use to be served. Existing law provides for the reversion of water rights to which a person is entitled when the person fails to beneficially use the water for a period of 5 years. Existing law declares that the storing of water underground, and related diversions for that purpose, constitute a beneficial use of water if the stored water is thereafter applied to the beneficial purposes for which the appropriation for storage was made. This bill would revise the above declaration to additionally provide that certain uses of stored water while underground constitute beneficial use. The bill would provide that the forfeiture periods of a water right do not apply to water being beneficially used, as provided, or being held in storage for later beneficial use.</p> <p>An act to amend Section 1242 of the Water Code, relating to water.</p>			

Bill #: AB 1479	Public records: custodian of records: civil penalties.			
Legislator/Party	Bonta	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input checked="" type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended 3/21/2017, 4/27/2017, 6/19/2017; ENROLLED 9/19/2017			
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 9/19/2017 Enrolled and presented to the Governor at 3:00 p.m.			
Summary	<p>Existing law, the California Public Records Act, requires a public agency, defined to mean any state or local agency, to make its public records available for public inspection and to make copies available upon request and payment of a fee, unless the public records are exempt from disclosure. Existing law requires an agency to justify withholding a record from disclosure by demonstrating either that the record in question is exempt under express provisions of law or that on the facts of the particular case the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record. Existing law requires specified state and local agencies to establish written guidelines for accessibility of records. Existing law authorizes a person to institute proceedings for injunctive or declarative relief or writ of mandate in any court of competent jurisdiction to enforce his or her right to inspect or to receive a copy of any public record or class of public records under these provisions. This bill, until January 1, 2023, would require public agencies to designate a person or persons, or office or offices, to act as the agency's custodian of records who is responsible for responding to any requests made pursuant to the California Public Records Act and any inquiry from the public about a decision by the agency to deny a request for records. The bill also would make other conforming changes. Because the bill would require local agencies to perform additional duties, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.</p> <p>An act to amend, repeal, and add Sections 6253 and 6259 of the Government Code, relating to public records.</p>			

Bill #: AB 1667	Agricultural water management planning.			
Legislator/Party	Friedman	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input checked="" type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N

Legislative Status Report

As of October 2017

Date	Introduced: 2/17/2017; Amended 4/18/2017, 5/30/2017, 7/3/2017
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto
Action Taken	STATUS: 7/14/2017 Failed deadline pursuant to Rule 61(a)(10). Last location was SENATE COMMITTEE on NATURAL RESOURCES and WATER on 7/11/2017. May be acted upon January 2018.
Summary	<p>(1) Existing law requires the state to achieve a 20% reduction in urban per capita water use in California by December 31, 2020. Existing law requires each urban retail water supplier to develop urban water use targets and an interim urban water use target, as specified, and requires each agricultural water supplier to implement efficient water management practices. This bill would require the State Water Resources Control Board, in consultation with the Department of Water Resources, to adopt long-term standards for urban water conservation and water use on or before May 20, 2021. The bill would also require the board, in consultation with the department, to adopt performance measures for commercial, industrial, and institutional water use on or before that date. The bill would authorize a court or public entity to hold a person civilly liable in an amount not to exceed \$10,000 for a violation of a regulation adopted under these provisions, unless the regulation provides otherwise. The bill would require an urban water supplier to calculate a water use target, as provided, no later than July 1 of each calendar year, beginning the calendar year after the board adopts long-term standards for urban water conservation and water use. The bill would require an urban water supplier to submit an annual report to the department for these purposes by July 1 of each year. The bill would authorize the board to issue information orders, written notices, and conservation orders to an urban water supplier that does not meet its water use target, as specified. The bill would also authorize the board to issue a regulation or informational order requiring a distributor of a public water supply to submit information relating to water production, water use, or water conservation. (2) Existing law requires an agricultural water supplier to submit an annual report to the department that summarizes aggregated farm-gate delivery data using best professional practices. This bill would require the annual report for the prior year to be submitted to the department by April 1 of each year, as provided, and to be organized by basin within the service area of the agricultural water supplier. (3) Existing law establishes procedures for reconsideration and amendment of specified decisions and orders of the board. Existing law authorizes any party aggrieved by a specified decision or order of the board to file, not later than 30 days from the date of final board action, a petition for writ of mandate for judicial review of the decision or order. This bill would apply these procedures to decisions and orders of the board issued pursuant to the provisions described in paragraph (1), including existing provisions and those added by this bill. (4) Existing law authorizes the board to issue a cease and desist order in response to a violation or threatened violation of certain requirements, including specified emergency regulations adopted by the board. Under existing law, a person who violates a cease and desist order of the board may be liable for each day in which the violation occurs, as specified. Revenue generated from these penalties is deposited in the Water Rights Fund. The moneys in the Water Rights Fund are available, upon appropriation by the Legislature, for, among other things, the administration of the board's water rights program. This bill would authorize the board to issue a cease and desist order in response to a violation or threatened violation of any regulation adopted by the board, except as provided. (5) Existing law, the Urban Water Management Planning Act, requires every public and private urban water supplier that directly or indirectly provides water for municipal purposes to prepare and adopt an urban water management plan and to update its plan once every 5 years on or before December 31 in years ending in 5 and zero, except as specified. Existing law defines urban water supplier to mean a supplier, either publicly or privately owned, providing water for municipal purposes either directly or indirectly to more than 3,000 customers or supplying more than 3,000 acre-feet of water annually. This bill would require an urban water management plan to be updated on or before July 1, in years ending in 6 and one, incorporating updated and new information from the 5 years preceding the plan update. The bill would require the department to propose to the Governor and the Legislature, on or before August 1, 2020, recommendations and guidance relating to the development and use of countywide drought contingency plans to address drought planning for small water suppliers and rural communities, as provided. (6) Existing law requires an urban water management plan, among other things, to describe the reliability of the water supply and vulnerability to seasonal or climatic shortage, to the extent practicable, and provide data for an average, single-dry, and multiple-dry</p>

Legislative Status Report

As of October 2017

water years. This bill would require an urban water management plan to contain a drought risk assessment, as defined, that examines water shortage risks for a drought lasting the next 5 or more consecutive years. (7) Existing law requires that an urban water management plan provide an urban water shortage contingency analysis, that includes, among other things, an estimate of the minimum water supply available during each of the following 3 water years based on the driest 3-year historic sequence for the agency's water supply. This bill would require an urban water supplier to prepare, adopt, and periodically review a water shortage contingency plan, as prescribed, and as part of its urban water management plan. The bill would require a water shortage contingency plan to consist of certain elements that are within the authority of the urban water supplier, including, among other things, annual water budget forecast procedures, standard water shortage levels, shortage response actions, and communication protocols and procedures. The bill would require an urban water supplier to make the water shortage contingency plan available to its customers and any city or county within which it provides water supplies no later than 30 days after adoption. The bill would require an urban water supplier to conduct an annual water budget forecast and submit an annual water shortage assessment report to the department with information for anticipated shortage, triggered shortage response actions, compliance and enforcement actions, and communication actions consistent with the supplier's water shortage contingency plan by June 1 of each year. The bill would require an urban water supplier to adhere to the procedures and implement determined shortage response actions in its water shortage contingency plan in drought and water shortage conditions. The bill would authorize the department to update a certain guidebook, as specified. (8) Existing law requires an urban water supplier to submit copies of its urban water management plan and copies of amendments or changes to the plan to certain entities, including the Department of Water Resources, as prescribed. Existing law makes an urban water supplier that does not prepare, adopt, and submit its urban water management plan to the department as prescribed ineligible to receive certain funding. This bill would extend these provisions to apply to a water shortage contingency plan. The bill would require an urban water supplier regulated by the Public Utilities Commission to include its most recent urban water management plan and water shortage contingency plan as part of its general rate case filings. (9) Existing law requires the department to prepare and submit to the Legislature, on or before December 31, in the years ending in 6 and 1, a report summarizing the status of plans adopted pursuant to the act and to provide a copy of the report to each urban water supplier that has submitted its plan to the department. The bill would instead require the department to prepare and submit the report about plans adopted pursuant to the act to the Legislature on or before July 1, in the years ending in 7 and 2. The bill would require the department to prepare and submit to the State Water Resources Control Board, on or before June 1 of each year, a report summarizing the submitted water budget forecast results along with appropriate reported water shortage conditions developed by the department and information regarding various shortage response actions implemented as a result of water budget forecast assessments, as prescribed, for the board to determine if noncompliance enforcement is necessary. (10) Existing law authorizes the governing body of a distributor of a public water supply to declare a water shortage emergency condition to prevail within the area served by the distributor whenever it finds and determines that the ordinary demands and requirements of water consumers cannot be satisfied without depleting the water supply of the distributor to the extent that there would be insufficient water for human consumption, sanitation, and fire protection. This bill would instead require the governing body of a distributor of a public water supply to declare a water shortage emergency condition whenever it finds and determines the above-described circumstances or upon determining a water shortage of 40% or greater exists. The bill would require an urban water supplier to declare a water shortage emergency if either a water shortage of 40% or greater is determined to exist or in the event that a severe catastrophic interruption of the urban water supplier's water supply has occurred. The bill would require an urban water supplier to coordinate with any city or county within which it provides water supply services for a possible proclamation of a local emergency. (11) Existing law requires an agricultural water supplier to prepare and adopt an agricultural water management plan with specified components on or before December 31, 2012, and to update those plans on or before December 31, 2015 and on or before December 31 every 5 years thereafter. Existing law requires the agricultural water supplier to submit copies of its plan to specified entities no later than 30 days after the adoption of the plan, and requires the department to prepare and submit to the Legislature, on or before December 31 in years ending in 6 and years ending in one, a report summarizing the status of the plans. This bill would revise the components of the plan and additionally require a plan to include an annual water budget based on the quantification of all inflow and outflow components for the service area of the agricultural water supplier and a drought plan describing the actions of the

Legislative Status Report

As of October 2017

	<p>agricultural water supplier for drought preparedness and management of water supplies and allocations during drought conditions. The bill would require an agricultural water supplier to update its agricultural water management plan on or before April 1, 2021, and thereafter on or before April 1 in years ending in 6 and in years ending in one. The bill would require an agricultural water supplier to submit its plan to the department no later than 30 days after the adoption of the plan. The bill would require the department to review an agricultural water management plan and notify an agricultural water supplier if the department determines that it is noncompliant, as provided. The bill would authorize the department, if it has not received a plan or determined that the plan submitted is noncompliant, to contract with certain entities to prepare or complete a plan on behalf of the agricultural water supplier. The bill would require an agricultural water supplier to submit copies of its plan to specified entities no later than 30 days after the department's review of the plan. The bill would require the department to submit its report summarizing the status of the plans to the Legislature on or before April 30 in years ending in 7 and in years ending in 2.</p> <p>An act to amend Sections 350, 377, 531.10, 1058.5, 1120, 1831, 10608.20, 10608.48, 10610.2, 10610.4, 10620, 10621, 10630, 10631, 10631.2, 10635, 10640, 10641, 10642, 10644, 10645, 10650, 10651, 10653, 10654, 10656, 10814, 10820, 10826, 10843,, and 10845 f, to amend, renumber, and add Sections 10612 and 10617 of, to add Sections 10617.5, 10632.1, 10632.2, 10632.3, and 10826.2 5o, 5o add Chapter 9 (commencing with Section 10609) and Chapter 10 (commencing with Section 10609.7) to Part 2.55 of Division 6 of, to repeal Section 10631.7 of, and to repeal and add Section 10632 of, the Water Code, relating to water.</p>

Bill #: AB 1668	Water management planning.			
Legislator/Party	Friedman	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input checked="" type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended: 4/18/2017, 7/3/2017, 7/12/2017; 8/21/2017, 9/8/2017			
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 9/15/2017 From committee: do pass and re-refer to COMMITTEE on RULES (Ayes 5. Noes 0). (September 15). Re-referred to COMMITTEE on RULES.			
Summary	<p>(1) Existing law requires the state to achieve a 20% reduction in urban per capita water use in California by December 31, 2020. Existing law requires each urban retail water supplier to develop urban water use targets and an interim urban water use target, as specified. This bill would require the State Water Resources Control Board, in coordination with the Department of Water Resources, to adopt long-term standards for the efficient use of water, as provided, and performance measures for commercial, industrial, and institutional water use on or before June 30, 2021. The bill would require the department, in coordination with the board, to conduct necessary studies and investigations and make recommendations, no later than October 1, 2020, for purposes of these standards and performance measures. The bill, until January 1, 2025, would establish 55 gallons per capita daily as the standard for indoor residential water use, beginning January 1, 2025, would establish 52.5 gallons per capita daily as the standard for indoor residential water use, and beginning January 1, 2030, would establish 50 gallons per capita daily as the standard for indoor residential water use. The bill would require the department, in coordination with the board, to conduct necessary studies and investigations to jointly recommend to the Legislature a standard for indoor residential water use that more appropriately reflects best practices. The bill would impose civil liability for a violation of an order or regulation issued pursuant to these provisions, as specified. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Sections 531.10, 1120, 10608.12, 10608.20, 10608.48, 10801, 10802, 10814, 10817, 10820, 10825, 10826, 10843, 10845, and 10910 of, to add Sections 1846.5 and 10826.2 to, and to add Chapter 9 (commencing with Section 10609) and Chapter 10 (commencing with Section 10609.40) to Part 2.55 of Division 6 of, the Water Code, relating to water.</p>

Action Taken	STATUS: 5/26/2017 Failed deadline pursuant to Rule 61(a)(5). Last location was APPROPRIATIONS. Moved to suspense file on 5/10/2017. May be acted upon January 2018.		
Summary	<p>(1) Existing law requires the state to achieve a 20% reduction in urban per capita water use in California by December 31, 2020. Existing law requires each urban retail water supplier to develop urban water use targets and an interim urban water use target, as specified. This bill would require the State Water Resources Control Board, in consultation with the Department of Water Resources, to adopt long-term standards for urban water conservation and water use by May 20, 2021. The bill would authorize the board, in consultation with the department, to adopt interim standards for urban water conservation and water use by emergency regulation. The bill would require the board, before adopting an emergency regulation, to provide at least 60 days for the public to review and comment on the proposed regulation and would require the board to hold a public hearing. The bill would authorize a court or public entity to hold a person civilly liable in an amount not to exceed \$10,000 for a violation of a regulation adopted under these provisions, unless the regulation provides otherwise. The bill would also authorize the board to issue a regulation or informational order requiring a distributor of a public water supply to submit information relating to water production, water use, or water conservation. (2) Existing law establishes procedures for reconsideration and amendment of specified decisions and orders of the board. Existing law authorizes any party aggrieved by a specified decision or order of the board to file, not later than 30 days from the date of final board action, a petition for writ of mandate for judicial review of the decision or order. This bill would apply these procedures to decisions and orders of the board issued pursuant to the provisions described in paragraph (1), including existing provisions and those added by this bill. (3) Existing law authorizes the board to issue a cease and desist order in response to a violation or threatened violation of certain requirements, including specified emergency regulations adopted by the board. Under existing law, a person who violates a cease and desist order of the board may be liable for each day in which the violation occurs, as specified. Revenue generated from these penalties is deposited in the Water Rights Fund. The moneys in the Water Rights Fund are available, upon appropriation by the Legislature, for, among other things, the administration of the board's water rights program. This bill would authorize the board to issue a cease and desist order in response to a violation or threatened violation of any regulation adopted by the board.</p> <p>An act to amend Sections 377, 1058.5, 1120, 1831, and 10608.20 of, and to add Chapter 9 (commencing with Section 10609) to Part 2.55 of Division 6 of, the Water Code, relating to water.</p>

Action Taken	STATUS: 4/28/2017 Approved by the Governor. Chaptered by Secretary of State, Chapter 8 Statutes of 2017.		

Legislative Status Report

As of October 2017

Summary	<p>Existing law provides, for all contracts, and amendments to contracts, entered into on or after January 1, 2007, with a public agency, as defined, for design professional services, all provisions, clauses, covenants, and agreements contained in, collateral to, or affecting these contracts, that purport to indemnify, including the cost to defend, the public agency by a design professional against liability for claims against the public agency, are unenforceable, except for claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the design professional. This bill would instead make these provisions applicable to all contracts for design professional services entered into on or after January 1, 2018. The bill would prohibit the cost to defend charged to the design professional from exceeding the design professional's proportionate percentage of fault, except that in the event that one or more defendants is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, the bill would require the design professional to meet and confer with other parties regarding unpaid defense costs. The bill would also provide for certain exemptions to these provisions. This bill contains other existing laws.</p> <p>An act to amend Section 2782.8 of the Civil Code, relating to indemnity.</p>

Action Taken	STATUS: 9/13/2017 Assembly Rule 96 suspended. Withdrawn from committee. Ordered to third reading.		
Summary	<p>(1) Existing law requires the state to achieve a 20% reduction in urban per capita water use in California by December 31, 2020. Existing law requires each urban retail water supplier to develop urban water use targets and an interim urban water use target, as specified. ASSEMBLY Bill 1668 of the 2017-18 Regular Session, if enacted, would require the State Water Resources Control Board, in coordination with the Department of Water Resources, to adopt long-term standards for the efficient use of water and would establish specified standards for per capita daily indoor residential water use. The bill would require an urban retail water supplier to calculate an urban water use objective no later than July 1, 2022, and by July 1 every year thereafter, and its actual urban water use by those same dates. The bill would require an urban retail water supplier to submit a report to the department for these purposes by those dates. The bill would authorize the board to issue information orders, written notices, and conservation orders to an urban retail water supplier that does not meet its urban water use objective, as specified. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Sections 350, 377, 1058.5, 1120, 10608.12, 10608.20, 10610.2, 10610.4, 10620, 10621, 10630, 10631, 10631.2, 10635, 10640, 10641, 10642, 10644, 10645, 10650, 10651, 10653, 10654, and 10656 of, to amend, renumber, and add Section 10612 of, to add Sections 10608.35, 10609.20, 10609.22, 10609.24, 10609.26, 10609.28, 10609.30, 10609.32, 10609.34, 10609.36, 10617.5, 10618, 10630.5, 10632.1, 10632.2, 10632.3, and 10657 to, to repeal Section 10631.7 of, and to repeal and add Section 10632 of, the Water Code, relating to water.</p>

Legislative Status Report

As of October 2017

Action Taken	STATUS: 9/1/2017 From Committee: without recommendation (Ayes 11, Noes 0). 9/1/2017 re-referred to COMMITTEE on RULES.
Summary	<p>(1) Existing law, the California Safe Drinking Water Act, requires the State Water Resources Control Board to administer provisions relating to the regulation of drinking water to protect public health. Existing law declares it to be the established policy of the state that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes. This bill would establish the Safe and Affordable Drinking Water Fund in the State Treasury and would provide that moneys in the fund are continuously appropriated to the state board. The bill would require the board to administer the fund to secure access to safe drinking water for all Californians, while also ensuring the long-term sustainability of drinking water service and infrastructure. The bill would authorize the state board to provide for the deposit into the fund of federal contributions, voluntary contributions, gifts, grants, bequests, and settlements from parties responsible for contamination of drinking water supplies. The bill would require the state board to expend moneys in the fund for grants, loans, contracts, or services to assist eligible applicants with projects relating to the provision of safe and affordable drinking water consistent with a fund implementation plan adopted annually by the state board, as prescribed. The bill would require the state board annually to prepare and make available a report of expenditures of the fund and to adopt annually, after a public hearing, an assessment of funding need that estimates the anticipated funding needed for the next fiscal year to achieve the purposes of the fund. The bill would require, by January 1, 2019, the state board, in consultation with local health officers and other relevant stakeholders, to make available a map of aquifers that are used or likely to be used as a source of drinking water that are at high risk of containing contaminants. For purposes of the map, the bill would require local health officers and other relevant local agencies to provide all results of, and data associated with, water quality testing performed by certified laboratories to the board, as specified. By imposing additional duties on local health officers and local agencies, the bill would impose a state-mandated local program. By creating a new continuously appropriated fund, this bill would make an appropriation. This bill contains other related provisions and other existing laws.</p> <p>An act to add Article 6.5 (commencing with Section 14615) to Chapter 5 of Division 7 of, to add article 14.5 (commencing with Section 62215) to Chapter 2 of Part 3 of Division 21 of, and to repeal Sections 14616 and 62216 of, the Food and Agricultural Code, to add Chapter 4.6 (commencing with Section 116765) to Part 12 of Division 104 of the Health and Safety Code, and to amend Section 13050 of, and to add Article 4.5 (commencing with Section 13278) to Chapter 4 of Division 7 of, the Water Code, relating to water, and making an appropriation therefor.</p>

Bill #: TB 810	Local alternative transportation improvement program: Feather River crossing.						
Legislator/Party	Gallagher	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input type="checkbox"/> S	<input checked="" type="checkbox"/> O	<input type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/15/2017						
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	STATUS: 4/26/2017 In Committee: Set, first hearing. Referred to suspense file.						
Summary	<p>Existing law provides that the Department of Transportation has full possession and control of the state highway system and associated property. Existing law generally requires proceeds from the sale of excess state highway property to be made available for other highway purposes. Existing law generally provides for the California Transportation Commission to program available funding for transportation capital projects, other than state highway rehabilitation projects, through the State Transportation Improvement Program process, with available funds subject to various fair share distribution formulas. Existing law, in certain cases, requires the commission to instead reallocate funds from canceled state highway projects to a local alternative transportation improvement program within the same county and exempts those funds from the fair share distribution formulas that would otherwise be applicable.</p> <p>This bill, with respect to planned state transportation facilities over the Feather River in the City of Yuba City and the Counties of Sutter and Yuba, which facilities are no longer planned to be constructed, would authorize the affected local agencies, acting jointly with the transportation</p>						

Legislative Status Report

As of October 2017

	<p>planning agency having jurisdiction, to develop and file with the California Transportation Commission a local alternative transportation improvement program that addresses transportation problems and opportunities in the area that was to be served by the canceled state facilities. The bill would provide that the commission has the final authority regarding the content and approval of the local alternative, and would further provide that no approval may be given by the commission after July 1, 2020. The bill would require all proceeds from the sale of excess properties acquired by the department for the canceled state facilities, less any reimbursements due to the federal government and costs incurred in the sale of those excess properties, to be allocated by the commission to the approved local alternative and would exempt those funds from the fair share distribution formulas that would otherwise be applicable to state transportation funds.</p>

Bill #: AB 732	Delta Levee Maintenance		
Legislator/Party	Frazier	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input type="checkbox"/> W <input checked="" type="checkbox"/> N
Date	Introduced: 2/15/2017; Amended: 3/23/2017, 5/30/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 9/1/2017 Failed deadline pursuant to Rule 61(a)(12). Last location was APPROPRIATIONS suspense file on 7/10/2017. May be acted up January 2018.		
Summary	<p>Existing law establishes a delta levee maintenance program pursuant to which a local agency may request reimbursement for costs incurred in connection with the maintenance or improvement of project or non-project levees in the Sacramento-San Joaquin Delta. Existing law declares legislative intent to reimburse eligible local agencies under this program, until July 1, 2018, in an amount not to exceed 75% of those costs that are incurred in excess of \$1,000 per mile of levee. Existing law, until July 1, 2018, authorizes the board to provide funds to an eligible local agency under this program in the form of an advance in an amount that does not exceed 75% of the estimated state share. This bill would extend until July 1, 2020, the operation of that declaration of legislative intent and the authorization to advance funds. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Sections 12986 and 12987.5 of the Water Code, relating to water.</p>		

Legislative Status Report

As of October 2017

Bill #: AB 18	California Clean Water, Climate, and Coastal Protection and Outdoor Access for All Act of 2018.		
Legislator/Party	Garcia, Eduardo	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 9/1/2017 From Committee. Do pass and re-refer to COMMITTEE on APPROPRIATIONS (Ayes 4. Noes 1). 8/31/2017 Re-referred to COMMITTEE on APPROPRIATIONS.		
Summary	<p>Under existing law, programs have been established pursuant to bond acts for, among other things, the development and enhancement of state and local parks and recreational facilities. This bill would enact the California Clean Water, Climate, Coastal Protection, and Outdoor Access for All Act of 2018, which, if approved by the voters, would authorize the issuance of bonds in an amount of \$3,470,000,000 pursuant to the State General Obligation Bond Law to finance a clean water, climate, coastal protection, and outdoor access for all program. This bill contains other related provisions. An act to add Chapter 14 (commencing with Section 5880) to Division 5 of the Public Resources Code, relating to a clean water, climate, coastal protection, and outdoor access for all program, by providing the funds necessary therefor through an election for the issuance and sale of bonds of the State of California and for the handling and disposition of those funds, and declaring the urgency thereof, to take effect immediately.</p>		

Bill #: AB 153	Military fraud.

Action Taken	STATUS: 10/8/2017 Signed by Governor		
Summary	<p>Existing law requires certain elected officers to forfeit their office upon the conviction of a crime pursuant to the federal Stolen Valor Act of 2005 that involves a false claim of receipt of any military decoration or medal, as specified, or the California Stolen Valor Act that involves a false claim, made with the intent to defraud, that the person is a veteran or a member of the Armed Forces of the United States. Existing law, the federal Stolen Valor Act of 2013, prohibits a person, with the intent to obtain money, property, or other tangible property, from fraudulently holding oneself out to be a recipient of a military decoration or medal, as specified. This bill would instead require these elected officers to forfeit their office upon the conviction of a crime pursuant to the federal Stolen Valor Act of 2013 or the California Stolen Valor Act that involves a fraudulent claim, made with the intent to obtain money, property, or other tangible benefit, as defined, that the person is a veteran or a member of the Armed Forces of the United States, as prescribed in those acts. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Section 3003 of the Government Code, and to amend Section 532b of the Penal Code, relating to military fraud.</p>		

Bill #: AB 176	Water project: Friant-Kern Canal.

Legislative Status Report

As of October 2017

Action Taken	STATUS: 5/26/2017 In committee. Held under submission.
Summary	Existing law requires the Department of Water Resources, upon appropriation by the Legislature, to provide funding for a project that substantially conforms to the project description for the Reverse Flow Pump-back Facilities on the Friant-Kern Canal Restoration Project, as specified, provided that certain conditions are met. Existing law requires that the appropriation be no more than \$7,000,000. This bill would appropriate \$7,000,000 from the General Fund to the department for this project. This bill contains other related provisions. An act relating to water, and making an appropriation therefore.

Bill #: AB 196		Greenhouse Gas Reduction Fund: water supply and wastewater systems.					
Legislator/Party	Bigelow	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input type="checkbox"/> S	<input type="checkbox"/> O	<input checked="" type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 1/19/2017; Amended 3/6/2017						
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	STATUS: 9/1/2017 Failed deadline pursuant to Rule 61(a)(12). Last location was APPROPRIATIONS suspense file on 7/17/2017. May be acted upon January 2018.						
Summary	<p>The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation. Existing law requires the Department of Finance, in consultation with the state board and any other relevant state agency, to develop, as specified, a 3-year investment plan for the moneys deposited in the Greenhouse Gas Reduction Fund. Existing law requires moneys from the fund to be allocated for the purpose of reducing greenhouse gas emissions in this state and satisfying other purposes. Existing law authorizes specified investments, including water use and supply, if the investment furthers the regulatory purposes of the act and is consistent with law. This bill would authorize the use of the monies in the fund for electric pump efficiency, water and wastewater systems, pump and pump motor efficiency improvements, and drinking water transmission and distribution systems' water loss if the investment furthers the regulatory purposes of the act and is consistent with law.</p> <p>An act to amend Section 39712 of the Health and Safety Code, relating to greenhouse gases.</p>

Action Taken	STATUS: 4/28/2017 Failed deadline pursuant to Rule 61(a)(2). Last location was WATER, PARKS AND WILDLIFE on 4/5/2017. May be acted upon January 2018.						
Summary	<p>The Davis-Grunsky Act provides for state financial assistance, in the form of grants and loans, to public agencies for, among other things, distribution of water for domestic purposes. The act authorizes the Department of Water Resources, in making loans or grants pursuant to the act, to impose terms and conditions that are designed to protect the state's investment and that are necessary to carry out the purposes of the act. The California Safe Drinking Water Act provides for the operation of public water systems and imposes on the State Water Resources Control Board various responsibilities and duties. The act authorizes the state board to order consolidation with a receiving water system where a public water system or a state small water system, as specified,</p>						

Legislative Status Report

As of October 2017

	<p>consistently fails to provide an adequate supply of safe drinking water. The act authorizes the state board to order the extension of service to an area within a disadvantaged community that does not have access to an adequate supply of safe drinking water, as specified. To provide affordable, safe drinking water to disadvantaged communities, the act, if the state board finds that consolidation or extension of service is either not appropriate or not technically or economically feasible, authorizes the state board to contract with an administrator to provide administrative and managerial services to a designated public water system to assist that public water system with the provision of an adequate and affordable supply of safe drinking water. This bill, the Southeast Los Angeles County Drinking Water Relief Act, would authorize the department and the state board to condition the awardance of financial assistance to an urban water supplier in southeast Los Angeles County that does not have adequate technical, managerial, and financial capacity for a water infrastructure project on the participation of a public water agency that has sufficient technical, managerial, and financial capacity to complete and operate the project. The bill would authorize the department and state board to provide, upon appropriation, financial assistance to a public water agency for these purposes. The bill would specifically authorize an urban water supplier in southeast Los Angeles County to consult with the state board to determine whether consolidation with a receiving water system, extension of service, or provision of administrative or managerial services as a designated public water system under the California Safe Drinking Water Act is appropriate. This bill would make legislative findings and declarations as to the necessity of a special statute for the County of Los Angeles.</p> <p>An act to add Chapter 5.1 (commencing with Section 12893.50) to Part 6 of Division 6 of the Water Code, relating to water.</p>

Action Taken	STATUS: 10/3/2017 Approved by the Governor. Chaptered by Secretary of State – Chapter 438, Statutes of 2017.		
Summary	<p>Existing law, the Safe Drinking Water State Revolving Fund Law of 1997, establishes the Safe Drinking Water State Revolving Fund to provide grants or revolving fund loans for the design and construction of projects for public water systems that will enable those systems to meet safe drinking water standards. This bill would, to the extent funding is made available, authorize the State Water Resources Control Board to establish the Water and Wastewater Loan and Grant Program to provide funding to eligible applicants for specified purposes relating to drinking water and wastewater treatment. This bill would authorize a county or qualified nonprofit organization to apply to the board for a grant to award loans or grants, or both, to an eligible applicant. The bill would authorize the board to use a funding source that is authorized for and consistent with the purposes of the program.</p> <p>An act to add Chapter 6.6 (commencing with Section 13486) to Division 7 of the Water Code, relating to water.</p>

Legislative Status Report

As of October 2017

Summary	<p>Existing law declares that the diversion or use of water, other than as authorized by specified provisions of law, is a trespass. Existing law authorizes the executive director of the State Water Resources Control Board to issue a complaint to a person who violates certain use and diversion of water provisions and subjects the violator to administrative civil liability. Existing law authorizes the board to adopt an order setting administrative civil liability based on the allegations set forth in the complaint without a hearing, unless a written request for a hearing signed by, or on behalf of, the party served with the complaint is delivered to or received by mail by the board within 20 days after receipt of the complaint. This bill, commencing July 1, 2018, would establish a Water Rights Division within the Office of Administrative Hearings, as prescribed. The bill would require a hearing to set the above-described administrative civil liability to be held before the division in accordance with the Administrative Procedure Act. The bill would deem a decision made by an administrative law judge in the division to be a recommendation and not final until accepted by the board, as prescribed. The bill would authorize an appeal of the board's decision on the recommendation or of the adoption of the recommendation due to the failure to act to a superior court. The bill would add expenditures of the division to the purposes for which the moneys in the Water Rights Fund are available for expenditure, upon appropriation by the Legislature. This bill contains other related provisions and other existing laws.</p> <p>An act to add Article 2.5 (commencing with Section 11375) to Chapter 4 of Part 1 of Division 3 of Title 2 of the Government Code, and to amend Section 1825 of, to amend, repeal, and add Sections 1055, 1552, and 1845 of, to add Section 1837 to, and to repeal and add Article 2 (commencing with Section 1831) of Chapter 12 of Part 2 of Division 2 of, the Water Code, relating to water.</p>

Action Taken	STATUS: 7/18/2017 Approved by the Governor. Chaptered by Secretary of State – Chapter 67, Statutes of 2017.						
Summary	<p>Existing law, the Sustainable Groundwater Management Act, requires all groundwater basins designated as high- or medium priority basins by the Department of Water Resources that are designated as basins subject to critical conditions of overdraft to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2020, and requires all other groundwater basins designated as high- or medium-priority basins to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2022, except as specified. The act authorizes any local agency or combination of local agencies overlying a groundwater basin to decide to become a groundwater sustainability agency for that basin, as prescribed. The act requires a groundwater sustainability agency to consider the interests of all beneficial uses and users of groundwater, as well as those responsible for implementing groundwater sustainability plans, including, among other interests, holders of overlying groundwater rights, including agricultural users and domestic well owners. This bill would specifically include farmers, ranchers, and dairy professionals in the agricultural users whose interests a groundwater sustainability agency is required to consider.</p> <p>An act to amend Section 10723.2 of the Water Code, relating to water.</p>

Legislative Status Report

As of October 2017

Action Taken	STATUS: 10/3/2017 Approved by the Governor. Chaptered by the Secretary of State – Chapter 439, Statutes of 2017.
Summary	<p>The Porter-Cologne Water Quality Control Act grants to the State Water Resources Control Board and the California regional water quality control boards the authority to regulate water quality in the state. The act creates the State Water Pollution Cleanup and Abatement Account in the State Water Quality Control Fund and continuously appropriates moneys in the account to the state board for the purposes of cleaning up waste or abating its effects on state waters. Existing law, until July 1, 2018, authorizes the state board to pay these moneys from the account to, among others, a community water system that services a disadvantaged community to be used to assist in addressing urgent drinking water need, among other purposes. This bill would limit the above-described payments to grants, and would delete the July 1, 2018, sunset date. By extending the term of an existing appropriation, this bill would make an appropriation. The bill would authorize the state board, upon application by a public agency, a not-for-profit organization, or community water system, to make funds available from the account for a loan to that entity to assist in cleaning up the waste, abating the effects of a waste, or addressing an urgent drinking water need, as provided. By authorizing new expenditures from a continuously appropriated account, this bill would make an appropriation. The bill would require that the loan be secured by adequate collateral and would prohibit the term of the loan from exceeding 10 years. The bill would exempt projects that are funded by the loan from certain state contracting and procurement requirements, and would require the state board to adopt guidelines for the allocation and administration of loans from the account. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Section 13441 of, to amend and repeal Section 13442 of, and to add Section 13442.5 to, the Water Code, relating to water, and making an appropriation therefor.</p>

Bill #: AB 355	Water pollution: enforcement.		
Legislator/Party	Chu	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/8/2017; Amended 3/28/2017, 6/7/2017; CHAPTERED 10/6/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	Status: 10/6/2017 Chaptered by the Secretary of State – Chapter 524, Statutes of 2017.		
Summary	<p>Under the Porter-Cologne Water Quality Control Act, the State Water Resources Control Board (state board) and the California regional water quality control boards (regional boards) are the principal state agencies with primary authority over water quality matters. The act authorizes a regional board to investigate the quality of state waters, and grants to a regional board certain authority in connection with those investigative functions. The act authorizes a regional board to administratively impose civil liability in connection with violations of certain water quality provisions, and authorizes the executive officer of a regional board to issue a complaint to any person on whom administrative civil liability may be imposed pursuant to the act. This bill, for purposes of the exception, would instead define “publicly owned treatment works serving a small community” as a publicly owned treatment works serving a population of 20,000 persons or fewer or a rural county, with a financial hardship. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Section 25299 of, and to add Section 25299.05 to, the Health and Safety Code, and to amend Sections 13385 and 13399.27 of the Water Code, relating to water pollution.</p>		

Bill #: AB 367	Water supply: building permits.

Legislative Status Report

As of October 2017

Action Taken	STATUS: 9/7/2017 Enrolled and presented to the Governor at 3:00 p.m.
Summary	Existing law prohibits a city, including a charter city, or a county from issuing a building permit for the construction of a new residential development where a source of the water supply is water transported by a water hauler, bottled water, a water-vending machine, or a retail water facility. Under existing law, this prohibition on the issuance of a building permit does not apply to a residence that will be rebuilt because of a natural disaster. This bill would exempt from the prohibition on the issuance of a building permit a residence that will be rebuilt because of a fire and would provide that this is declaratory of existing law. An act to amend Section 106.4 of the Water Code, relating to water.

Bill #: AB 429	State water policy: water rights: use and transferability.		
Legislator/Party	Grayson	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/13/2017		
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was PRINT on 2/13/2017. May be acted upon January 2018.		
Summary	Existing law declares that the growing water needs of the state require the use of water in an efficient manner and that the efficient use of water requires certainty in the definition of property rights to the use of water and transferability of those rights. This bill would make nonsubstantive changes to those declarations. An act to amend Section 109 of the Water Code, relating to water.		

Bill #: AB 474	Hazardous waste: spent brine solutions.		
Legislator/Party	Garcia, Eduardo	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/13/2017; Amended: 6/28/2017, 8/21/2017; ENROLLED 9/13/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 9/19/2017 Enrolled and presented to the Governor at 3:00 p.m.		
Summary	Existing law exempts from certain requirements of the Hazardous Waste Control Law wastes from the extraction, beneficiation, or processing of ores and minerals that are not subject to regulation under the federal Resource Conservation and Recovery Act of 1976, including spent brine solutions used to produce geothermal energy that meet specified requirements. This bill would exempt spent brine solutions that are byproducts of the treatment of groundwater to meet California drinking water standards from those same requirements if certain conditions are met, including that the spent brine solutions are transferred for dewatering via a closed piping system to lined surface impoundments regulated by the California regional water quality control boards. The bill would require surface impoundments used for the treatment of spent brine solutions to maintain financial assurances consistent with requirements of the Hazardous Waste Control Law. An act to add Section 25143.6 to the Health and Safety Code, relating to hazardous waste.		

Legislative Status Report

As of October 2017

Bill #: AB 487	Sustainable Groundwater Management Act.		
Legislator/Party	Mathis	<input type="checkbox"/> D <input checked="" type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/13/2017		
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was PRINT on 2/13/2017. May be acted upon January 2018.		
Summary	<p>Existing law, the Sustainable Groundwater Management Act, requires all groundwater basins designated as high- or medium-priority basins by the Department of Water Resources that are designated as basins subject to critical conditions of overdraft to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2020, and requires all other groundwater basins designated as high- or medium-priority basins to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2022, except as specified. This bill would state the intent of the Legislature to enact statutory changes relating to the Sustainable Groundwater Management Act.</p> <p>An act relating to groundwater.</p>		

Bill #: AB 554	Desalination: statewide goal.		
Legislator/Party	Cunningham	<input type="checkbox"/> D <input checked="" type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/14/2017; Amended 3/27/2017; Revised 6/20/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 6/2/2017 Failed deadline pursuant to Rule 61(a)(8). Last location was APPROPRIATIONS on 5/26/2017. May be acted upon January 2018.		
Summary	<p>Existing law, the Cobey-Porter Saline Water Conversion Law, states the policy of this state that desalination projects developed by or for public water entities be given the same opportunities for state assistance and funding as other water supply and reliability projects, and that desalination be consistent with all applicable environmental protection policies in the state. The law provides that it is the intention of the Legislature that the Department of Water Resources undertake to find economic and efficient methods of desalting saline water so that desalted water may be made available to help meet the growing water requirements of the state. This bill would establish a goal to desalinate 300,000 acre-feet of drinking water per year by the year 2025 and 500,000 acre-free of drinking water per year by the year 2030.</p> <p>An act to add Section 12946.5 to the Water Code, relating to water resources.</p>		

Bill #: AB 560	Safe Drinking Water State Revolving Fund: project financing: severely disadvantaged communities.		
Legislator/Party	Salas	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/14/2017; Amended 4/17/2017, 4/27/2017, 7/12/2017; CHAPTERED 10/7/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 10/7/2017 Signed by the Governor.		

Legislative Status Report

As of October 2017

Summary	<p>Existing law, the Safe Drinking Water State Revolving Fund Law of 1997, establishes the Safe Drinking Water State Revolving Fund to provide grants or revolving fund loans for the design and construction of projects for public water systems that will enable those systems to meet safe drinking water standards. Existing law requires the State Water Resources Control Board to establish eligibility criteria for project financing that is consistent with federal law. This bill, to the extent permitted by federal law, would authorize the board to provide grant funding, and principal forgiveness and 0% financing on loans, from the Safe Drinking Water State Revolving Fund to a project for a water system with a service area that qualifies as a severely disadvantaged community if the water system demonstrates that repaying a Safe Drinking Water State Revolving Fund loan with interest would result in unaffordable water rates, as defined.</p> <p>An act to amend Section 116760.50 of the Health and Safety Code, relating to water.</p>
----------------	--

Bill #: AB 574	Potable reuse.		
Legislator/Party	Quirk	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/14/2017; Amended 4/18/2017, 6/20/2017, 7/12/2017, 9/1/2017; CHAPTERED 10/6/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 10/6/2017 Chaptered by Secretary of State – Chapter 528, Statutes of 2017.		
Summary	<p>Existing law establishes the State Water Resources Control Board and the California regional water quality control boards as the principal state agencies with authority over matters relating to water quality. Existing law required the State Department of Public Health to, on or before December 31, 2013, adopt uniform water recycling criteria for indirect potable reuse for groundwater recharge. Existing law also required the department to develop and adopt uniform water recycling criteria for surface water augmentation, as defined, by December 31, 2016, if a specified expert panel found that the criteria would adequately protect public health, and required the department to investigate the feasibility of developing uniform water recycling criteria for direct potable reuse and to provide a final report on that investigation to the Legislature by December 31, 2016. Existing law defined the terms “direct potable reuse” and “surface water augmentation” for these purposes. Existing law transferred these powers and responsibilities to the State Water Resources Control Board on July 1, 2014. This bill would specify that “direct potable reuse” includes “raw water augmentation” and “treated drinking water augmentation.” The bill would change the term “surface water augmentation” to “reservoir water augmentation” and would redefine that term to mean the planned placement of recycled water into a raw surface water reservoir used as a source of domestic drinking water supply for a public water system or into a constructed system conveying water to such a reservoir. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Sections 13560 and 13561 of, to amend the heading of Chapter 7.3 (commencing with Section 13560) of Division 7 of, and to add Sections 13560.5 and 13561.2 to, the Water Code, relating to water.</p>		

Bill #: AB 640	Recycled water: recycling criteria.

Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was PRINT on 2/14/2017. May be acted upon January 2018.		

Legislative Status Report

As of October 2017

Summary	<p>Existing law, the Porter-Cologne Water Quality Control Act, requires the State Water Resources Control Board to establish uniform statewide recycling criteria for each varying type of use of recycled water if the use involves the protection of public health. The act defines recycling criteria to mean the levels of constituents of recycled water, and the means for assurance of reliability under the design concept that will result in recycled water that is safe for the uses to be made. This bill would make technical, nonsubstantive changes to that definition.</p> <p>An act to amend Section 13520 of the Water Code, relating to water quality.</p>
----------------	---

Bill #: AB 641	Water conservation and reclamation projects.

Legislative Status Report

As of October 2017

Summary	<p>Existing law authorizes an electrical, gas, or water corporation, or any electrical, gas, or water system operated by a public agency, to bring a civil action for damages against any person who commits, authorizes, solicits, aids, abets, or attempts, among other things, the diversion of utility services by any means whatsoever. Existing law authorizes the utility to recover as damages 3 times the amount of actual damages, plus the cost of the suit and reasonable attorney's fees, in any civil action brought pursuant to these provisions. This bill would authorize a defendant that prevails upon judgment to recover reasonable attorney's fees and costs of the suit from the utility.</p> <p>An act to amend Section 1882.2 of the Civil Code, relating to utility services.</p>

Legislative Status Report

As of October 2017

Action Taken	STATUS 5/26/2017 Failed deadline pursuant to Rule 61(a)(5). Last location was APPROPRIATIONS. Moved to suspense file on 5/17/2017. May be acted upon January 2018.
Summary	<p>Existing law requires a school district to provide access to free, fresh drinking water during meal times in school food service areas, except as specified. Under existing law, known as the Lead-Safe Schools Protection Act, the State Department of Public Health is required to perform various activities related to reducing the risk of exposure to lead hazards in public schools, including, among other activities, working with the State Department of Education to develop voluntary guidelines to ensure that lead hazards are minimized in the course of school repair and maintenance programs and abatement procedures. This bill would require a community water system, as defined, to test, on or before July 1, 2019, and every year thereafter, for the presence of lead at a sample of water outlets used for drinking or cooking at each school, defined to include a public elementary school, a public secondary school, a public preschool located on public school property, and a public day care facility located on public school property, constructed before January 1, 1993, within the boundaries of the community water system. The bill would require, if testing reveals an elevated lead level, as defined, at a water outlet at a school, the school to close off access to the outlet, as specified; report the test results to the State Water Resources Control Board; purchase and install certified water filters at all school faucets, fountains, and other outlets designated for drinking or cooking that were not closed off; on or before July 1, 2022, replace all lead-bearing parts, as defined, within the school's water delivery system, where feasible and cost effective; and, on or before January 1, 2020, develop and adopt a plan of action relating to these requirements.</p> <p>By imposing additional duties on public schools, the bill would impose a state-mandated local program. The bill would exempt a school and a community water system from its provisions if the school demonstrates to the satisfaction of the State Water Resources Control Board that its water delivery system is free of lead-bearing parts. This bill contains other related provisions and other existing laws.</p> <p>An act to add Section 32247 to the Education Code, relating to pupil health.</p>

Bill #: AB 892		Municipal water districts: water service: Indian tribes			
Legislator/Party	Waldron	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input type="checkbox"/> S	<input type="checkbox"/> O
Date	Introduced: 2/16/2017; Amended 3/23/2017				
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto				
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was LOCAL GOVERNMENT. May be acted upon January 2018.				
Summary	<p>Existing law, the Municipal Water District Law of 1911, provides for the formation of municipal water districts and grants to those districts specified powers. Existing law permits a district to acquire, control, distribute, store, spread, sink, treat, purify, recycle, recapture, and salvage any water for the beneficial use of the district, its inhabitants, or the owners of rights to water in the district. Existing law, upon the request of certain Indian tribes and the satisfaction of certain conditions, requires a district to provide service of water at substantially the same terms applicable to the customers of the district to the Indian tribe's lands that are not within a district, as prescribed. This bill would authorize, rather than require, a district to provide this service of water. The bill would apply this authorization to all Indian tribes whose lands are owned by the tribe.</p> <p>An act to amend Section 71611.5 of the Water Code, relating to water.</p>				

Legislative Status Report

As of October 2017

Bill #: AB 1009	Sustainable groundwater management: groundwater sustainability agencies.			
Legislator/Party	Gallagher	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/16/2017			
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was PRINT on 2/15/2017. May be acted upon January 2018.			
Summary	<p>Existing law, the Sustainable Groundwater Management Act, requires all groundwater basins designated as high- or medium- priority basins by the Department of Water Resources that are designated as basins subject to critical conditions of overdraft to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2020, and requires all other groundwater basins designated as high- or medium- priority basins to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2022, except as specified. The act generally authorizes any local agency or combination of local agencies overlying a basin to decide to become a groundwater sustainability agency for that basin. The act requires a groundwater sustainability agency to establish and maintain a list of persons interested in receiving notices regarding plan preparation, meeting announcements, and availability of draft plans, maps, and other relevant documents. This bill would make a nonsubstantive change in these provisions.</p> <p>An act to amend Section 10723.4 of the Water Code, relating to groundwater.</p>			

Bill #: AB 1050	Fish and wildlife: Delta smelt.			
Legislator/Party	Allen, Travis	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Action Taken	STATUS: 4/28/2017 Failed deadline pursuant to Rule 61(a)(2). Last location was WATER, PARKS AND WILDLIFE on 3/20/2017. May be acted upon January 2018.			

Legislative Status Report

As of October 2017

Summary	<p>Under existing law, the State Water Resources Control Board administers a water rights program pursuant to which the board grants permits and licenses to appropriate water. Existing law allows a person to apply for, and the board to issue, a temporary permit for diversion and use of water, subject to certain restrictions. Existing law allows a permittee or licensee who has an urgent need to change a point of diversion, place of use, or purpose of use to petition for, and the board to issue, a temporary permit, subject to certain restrictions. Existing law provides that the authorization for a temporary permit automatically expires 180 days after the authorization takes effect, unless an earlier date is specified or the temporary permit is revoked. This bill would extend the time period for the automatic expiration of a temporary permit to 240 days.</p> <p>An act to amend Section 1430 of the Water Code, relating to water.</p>
----------------	---

Bill #: AB 1211	State policy for water quality control.		
Legislator/Party	Dahle	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017		
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was PRINT on 2/17/2017. May be acted upon January 2018.		
Summary	<p>Under existing law, the Porter-Cologne Water Quality Control Act, the state policy for water quality control is required to consist of water quality principles and guidelines for long-range resource planning, water quality objectives, and other principles and guidelines deemed essential by the State Water Resources Control Board for water quality control. This bill would make technical, nonsubstantive changes to that provision.</p> <p>An act to amend Section 13142 of the Water Code, relating to water quality.</p>		

Bill #: AB 1271	Dams and reservoirs		
Legislator/Party	Gallagher	<input type="checkbox"/> D <input checked="" type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended 3/21/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 4/4/2017 In Committee: Set, first hearing. Hearing canceled at the request of author.		
Summary	<p>Existing law requires the Department of Water Resources to supervise the maintenance and operation of dams and reservoirs as necessary to safeguard life and property. Existing law requires the department, in determining whether a dam or reservoir or proposed dam or reservoir constitutes or would constitute a danger to life or property, to take into consideration the possibility that the dam or reservoir might be endangered by conditions that exist or that might occur in any area in the vicinity of the dam or reservoir. Under existing law, whenever the department deems that a condition endangers a dam or reservoir, the department is required to order the owner to take action as the department determines to be necessary to remove the resultant</p> <p>danger to life and property. This bill would require the department, as soon as possible, to order the owner to take action. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Sections 6081 and 6308 of the Water Code, relating to water, and making an appropriation therefor.</p>		

Legislative Status Report

Action Taken	STATUS: 7/14/2017 Failed deadline pursuant to Rule 61(a)(10). Last location was NATURAL RESOURCES and WATER COMMITTEE on 7/6/2017. May be acted upon January 2018.		
Summary	<p>Existing law, the California Environmental Quality Act (CEQA), requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect, unless the project is exempt from the act. This bill would, until July 1, 2023, exempt from the requirements of CEQA repairs of critical levees of the State Plan of Flood Control within an existing levee footprint to meet standards of public health and safety, except as otherwise provided in a specified regulation. The bill would require the lead agency to take certain actions regarding the repairs. This bill contains other existing laws.</p> <p>An act to add and repeal Section 21080.12 of the Public Resources Code, relating to environmental quality.</p>		

Bill #: AB 1323	Sustainable water use and demand reduction: stakeholder workgroup.

Action Taken	STATUS: 9/1/2017 Failed deadline pursuant to Rule 61(a)(12). Last location was APPROPRIATIONS suspense file on 8/21/2017. May be acted upon January 2018.		
Summary	<p>Existing law requires the state to achieve a 20% reduction in urban per capita water use in California by December 31, 2020. Existing law requires each urban retail water supplier to develop urban water use targets and an interim urban water use target, as specified, and requires each agricultural water supplier to implement efficient water management practices. This bill, with a specified exception, would require the Department of Water Resources to convene a stakeholder workgroup with prescribed representatives invited to participate, including, among others, representatives of the department and the State Water Resources Control Board, no later than February 1, 2019. The bill would require the stakeholder workgroup to develop, evaluate, and recommend proposals for establishing new water use targets for urban water suppliers and to examine and report to the Governor and the Legislature by December 31, 2019, as specified. The bill would require all expenses for the stakeholder working group to be the responsibility of the nonstate agency stakeholders. The bill would repeal its provisions on January 1, 2023.</p> <p>An act to add and repeal Section 10608.9 of the Water Code, relating to water.</p>		

Bill #: AB 1328	Oil and gas: water quality.		
Legislator/Party	Limón	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended: 7/17/2017, 9/6/2017; ENROLLED 9/13/2017		

Legislative Status Report

As of October 2017

Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto
Action Taken	STATUS: 9/20/2017 Enrolled and presented to the Governor at 4:30 p.m.
Summary	<p>Under existing law, the Porter-Cologne Water Quality Control Act, the State Water Resources Control Board (state board) and the California regional water quality control boards (regional boards) are the principal state agencies with primary authority over water quality matters. The act authorizes a regional board to investigate the quality of state waters, and grants to a regional board certain authority in connection with those investigative functions, including the authority, in connection with the discharge or suspected discharge of waste by a person or entity, as specified, to require that the person or entity furnish technical or monitoring program reports to the regional board. The act provides certain protections for trade secrets that are disclosed to the regional board, upon request by the person or entity. The act authorizes the state board to carry out the above provisions if, after consulting with the appropriate regional board, the state board determines that it will not duplicate the efforts of the regional board. The act declares that a person failing or refusing to furnish technical or monitoring program reports, or falsifying any information set forth in those reports, is guilty of a misdemeanor and may be civilly liable in accordance with certain provisions of law. This bill would provide that, in conducting an investigation of the quality of state waters that includes collection of information about discharge of wastewater produced from an oil or gas field, a regional board or the state board may also require the person or entity, or its supplier, as specified, to furnish information to that board relating to all chemicals in the discharged wastewater. The bill would provide for the trade secret protections described above to apply to information disclosed pursuant to this requirement, when requested by a person or entity, or a supplier. The bill would require the information collected pursuant to this requirement to be made available to the public on the Internet Website of the regional board or the state board. The bill would authorize a regional board or the state board, in collecting the above-described information, to consult with the Division of Oil, Gas, and Geothermal Resources regarding information collected by the division, pursuant to other disclosure requirements, that may be useful to the investigation. Because a violation of a requirement to disclose information to the state board or the appropriate regional board under these provisions would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Section 13268 of, and to add Section 13267.5 to, the Water Code, relating to oil and gas.</p>

Bill #: AB 1343	Water conservation: school districts: Go Low Flow Water Conservation Partnership		
Legislator/Party	Chen	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R

Action Taken	STATUS: 7/21/2017 Approved by the Governor. Chaptered by Secretary of State – Chapter 90, Statutes of 2017.		
Summary	<p>Existing law authorizes the governing board of a school district to initiate and carry on any program or activity, or to otherwise act in any manner, which is not in conflict or inconsistent with, or preempted by, any law and which is not in conflict with the purposes for which school districts are established. This bill would authorize the governing board of a school district to enter into a Go Low Flow Water Conservation Partnership with a public water system for purposes of reducing water use at schools, reducing stormwater and dry weather runoff at schools, reducing school site water pollution, and establishing the basis for educational opportunities in water conservation. The bill would authorize a public water system to offer, as part of a partnership, a water rebate for a school that implements water-saving measures.</p> <p>An act relating to water conservation.</p>

Action Taken	STATUS: 4/28/2017 Failed deadline pursuant to Rule 61(a)(2). Last location was WATER, PARKS AND WILDLIFE on 3/27/2017. May be acted upon January 2018.			
Summary	<p>Existing law establishes the Department of Water Resources and prescribes the powers and responsibilities of the department with regard to the construction and operation of water storage facilities in the state. This bill would require the department to increase statewide water storage capacity by 25% by January 1, 2025, and 50% by January 1, 2050, as specified. The bill would require the department, on or before January 1, 2019, to identify the current statewide water storage capacity and prepare a strategy and implementation plan to achieve those expansions in statewide water storage capacity, and would require the department to update the strategy and implementation plan on January 1, 2020, and every 2 years thereafter, until January 1, 2050. The bill would require the Legislative Analyst's Office to report to the Legislature on January 1, 2020, and every 5 years thereafter, until January 1, 2050, on the department's progress on achieving those required increases in statewide water storage capacity, as specified. The bill would, beginning in the 2018–19 fiscal year, continuously appropriate 25% of the annual proceeds of the Greenhouse Gas Reduction Fund to the department to comply with these requirements. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Section 39719 of the Health and Safety Code, and to add Section 13145.5 to, and to add Chapter 4.5 (commencing with Section 430) to Division 1 of, the Water Code, relating to water, and making an appropriation therefor.</p>			

Bill #: AB 1420	Water rights: small irrigation use: lake or streambed alteration agreements.			
Legislator/Party	Aguiar-Curry	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 9/1/2017 Failed deadline pursuant to Rule 61(a)(12). Last location was APPROPRIATIONS suspense file on 7/10/2017. May be acted upon January 2018.			
Summary	<p>Existing law, the Water Rights Permitting Reform Act of 1988, authorizes a person to obtain a right to appropriate water for a small domestic use, small irrigation use, or livestock stock pond use upon first registering the use, as those uses are defined by the act, with the State Water Resources Control Board and thereafter applying the water to reasonable and beneficial use with due diligence. The act requires the registration of water use to be made upon a form prescribed by the board that requires, among other things, a certification that the registrant has contacted a representative of the Department of Fish and Wildlife and has agreed to comply with conditions set forth by the department. The act requires the board to establish reasonable general conditions to which all appropriations made pursuant to the act are required to be subject, including, among other things, that all conditions lawfully required by the department are conditions upon the appropriations. The act provides that the board is not required to adopt general conditions for small irrigation use until the board determines that funds are available for that purpose, and that a registration for small irrigation use pursuant to the act is not authorized until the board establishes general conditions for small irrigation use to protect instream beneficial uses, as specified. This bill would require the board to give priority to adopting, on or before June 30, 2021, except as provided, general conditions that</p>			

Legislative Status Report

As of October 2017

	<p>permit a registrant to store water for small irrigation use during times of high streamflow in exchange for the registrant reducing diversions during periods of low streamflow, as specified. The bill would require that the actions of the board under these provisions be deemed an action taken for the protection of the environment for purposes of specified California Environmental Quality Act guidelines, if those actions do not result in the relaxation of streamflow standards. This bill contains other related provisions and other existing laws.</p> <p>An act to add Section 1602.1 to the Fish and Game Code, and to amend Sections 1229 and 1229.1 of the Water Code, relating to water.</p>

Action Taken	STATUS: 9/27/2017 Approved by the Governor. Chaptered by Secretary of State – Chapter 327, Statutes of 2017.
---------------------	---

Summary	<p>(1) Existing law, the Environmental Laboratory Accreditation Act, requires certain laboratories that conduct analyses of environmental samples for regulatory purposes to obtain a certificate of accreditation from the State Water Resources Control Board. The act requires an accredited laboratory to report, in a timely fashion and in accordance with the request for analysis, the full and complete results of all detected contaminants and pollutants to the person or entity that submitted the material for testing. The act authorizes the state board to adopt regulations to establish reporting requirements, establish the accreditation procedures, recognize the accreditation of laboratories located outside California, and collect laboratory accreditation fees. The act requires fees and civil penalties collected under the act to be deposited in the Environmental Laboratory Improvement Fund and that moneys in the fund be available for expenditure by the board, upon appropriation by the Legislature, for the purposes of the act. Existing law authorizes the state board to implement these provisions by entering and inspecting laboratories for these purposes, as specified. Existing law makes it a crime to interfere with the state board with regard to those inspection provisions. This bill would revise and recast those provisions. The bill would, among other things, update obsolete references under those provisions with regard to the state board and the State Department of Public Health, and would update references to national accreditation and training standards that are applicable to laboratories that are accredited or certified under these provisions. The bill would modify provisions relating to petitions for reconsideration with regard to denials of certain applications for certification or accreditation, as specified. The bill would authorize the state board to require an owner of a laboratory under these provisions to provide certain information or records to the state board, as specified. Because a violation of those provisions would be a crime, the bill would impose a state-mandated local program. The bill would also set forth a hearing process with regard to the suspension or revocation of a certification or accreditation issued under these provisions, as specified. The bill would update provisions relating to civil penalties, as specified. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Sections 100825, 100829, 100837, 100840, 100847, 100850, 100851, 100852, 100862, 100865, 100870, 100872, 100875, 100880, 100885, 100890, 100895, 100907, 116271, 116425, 116540, 116625, 116700, and 116701 of, to add Section 100920.5 to, and to repeal and add Sections 100855, 100910, and 100915 of, the Health and Safety Code, and to amend Section 21080.26 of the Public Resources Code, relating to the State Water Resources Control Board.</p>

Legislative Status Report

As of October 2017

Date	Introduced: 2/17/2017; Amended 3/28/2017
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto
Action Taken	STATUS: 4/25/2017 In Committee. Set second hearing. Failed passage. Reconsideration granted.
Summary	<p>Existing law, the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, approved by the voters as Proposition 1A at the November 4, 2008, general election, provides for the issuance of general obligation bonds in the amount of \$9 billion for high-speed rail purposes and \$950 million for other related rail purposes. Article XVI of the California Constitution requires measures authorizing general obligation bonds to specify the single object or work to be funded by the bonds and further requires a bond act to be approved by a 2/3 vote of each house of the Legislature and a majority of the voters. This bill would provide that no further bonds shall be sold for high-speed rail purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, except as specifically provided with respect to an existing appropriation for high-speed rail purposes for early improvement projects in the Phase 1 blended system. The bill, subject to the above exception, would require redirection of the unspent proceeds received from outstanding bonds issued and sold for other highspeed rail purposes prior to the effective date of these provisions, upon appropriation, for use in retiring the debt incurred from the issuance and sale of those outstanding bonds. The bill, subject to the above exception, would also require the net proceeds of other bonds subsequently issued and sold under the high-speed rail portion of the bond act to be made available, upon appropriation, to fund capital expenditures for water projects that are a part of the State Water Resources Development System, including the construction of desalination facilities, wastewater treatment and recycling facilities, reservoirs, water conveyance infrastructure, and aquifer recharge. The bill would make no changes to the authorization under the bond act for the issuance of \$950 million in bonds for rail purposes other than high-speed rail. These provisions would become effective only upon approval by the voters at the next statewide election. This bill contains other existing laws.</p> <p>An act to add Section 2704.096 to the Streets and Highways Code, relating to transportation.</p>

Bill #: <u>AB 1481</u>	Water: public use.		
Legislator/Party	Nazarian	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017		
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was PRINT on 2/17/2017. May be acted upon January 2018.		
Summary	<p>Existing law declares that all water within the state is the property of the people of the state, but the right to the use of the water may be acquired by appropriation in the manner provided by law. This bill would make nonsubstantive changes to that provision.</p> <p>An act to amend Section 102 of the Water Code, relating to water.</p>		

Legislative Status Report

As of October 2017

Bill #: <u>AB 1490</u>	State Water Resources Control Board: school drinking water.			
Legislator/Party	Gray	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Action Taken	STATUS: 5/26/2017 Failed deadline pursuant to Rule 61(a)(5). Last location was APPROPRIATIONS suspense file on 5/24/2017. May be acted upon January 2018.			
Summary	<p>Existing law establishes the State Water Resources Control Board and the 9 California regional water quality control boards as the principal state agencies with authority over matters relating to water quality. Existing law requires the State Water Resources Control Board to formulate and adopt state policy for water quality control. Existing law requires each regional board to formulate and adopt water quality control plans for all areas within the region and prohibits a water quality control plan or a revision of the plan adopted by a regional board from becoming effective unless it is approved by the state board. This bill would require the state board, no later than July 1, 2018, to prepare and submit to the Legislature a report evaluating potential adverse impacts resulting from the implementation of the Bay-Delta Water Quality Control Plan on the quality and supply of drinking water provided to schools in disadvantaged communities, as defined, in the state, including a summary describing any measures that may be implemented to address any adverse impacts identified in the report. The bill would require the state board, to the extent that funds are available, to provide financial assistance to schools in disadvantaged communities to address any adverse impacts on the supply and quality of drinking water provided to schools identified in the report.</p> <p>An act to add Section 13169.5 to the Water Code, relating to water quality.</p>			

Bill #: <u>AB 1543</u>	Municipal water districts: bonds.			
Legislator/Party	Gloria	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was PRINT on 2/17/2017. May be acted upon January 2018.			
Summary	<p>Existing law authorizes a municipal water district to issue bonds for the purpose of providing money required to be paid to any district or authority organized under the Metropolitan Water District Act or the County Water Authority Act for a certain purpose, and specifies that the amount of those bonds may include the expenses of all proceedings for the authorization, issuance, and sale of the bonds. This bill would make nonsubstantive changes in that provision.</p> <p>An act to amend Section 71852 of the Water Code, relating to water districts.</p>			

Bill #: <u>AB 1605</u>	Maximum contaminant levels: nitrate: replacement water.			
Legislator/Party	Caballero	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended 4/18/2017, 4/27/2017			

Legislative Status Report

As of October 2017

Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto
Action Taken	STATUS: 5/26/2017 Failed deadline pursuant to Rule 61(a)(5). Last location was JUDICIARY on 5/1/2017. May be acted upon January 2018.
Summary	<p>Under the Porter-Cologne Water Quality Control Act, the State Water Resources Control Board and the California regional water quality control boards are the principal state agencies with authority over matters relating to water quality. Under the act, the state board and the regional boards prescribe waste discharge requirements for the discharge of waste that could affect the quality of the waters of the state. Under the act, each regional board, with respect to its region, coordinates with the state board and other regional boards, with respect to water quality control matters, including the prevention and abatement of water pollution and nuisance. The act requires, upon the order of a regional board, a person who has caused or permitted, causes or permits, or threatens to cause or permit any waste to be discharged or deposited where it is, or probably will be, discharged into the waters of the state and creates, or threatens to create, a condition of pollution or nuisance, to clean up the waste or abate the effects of the waste, or, in the case of threatened pollution or nuisance, to take other remedial action. This bill would prohibit a person or entity providing replacement water, as defined, to address drinking water that exceeds the maximum contaminant level for nitrate in groundwater from being deemed to have caused pollution or a nuisance, or from being liable for negligence or trespass, if certain conditions are met. This bill contains other existing laws.</p> <p>An act to add Chapter 5.1 (commencing with Section 13366) to Division 7 of the Water Code, relating to water quality.</p>

Bill #: AB 1673	The California Water Plan.			
Legislator/Party	Aguiar-Curry	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Action Taken	STATUS: 9/21/2017 Enrolled and presented to the Governor at 5:30 p.m.			

Legislative Status Report

As of October 2017

Summary	<p>Under existing law, programs have been established pursuant to bond acts for, among other things, the development and enhancement of state and local parks and recreational facilities. Existing law, the Water Quality, Supply, and Infrastructure Improvement Act of 2014, approved by the voters as Proposition 1 at the November 4, 2014, statewide general election, authorizes the issuance of general obligation bonds in the amount of \$7,545,000,000 to finance a water quality, supply, and infrastructure improvement program. Existing law, the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006, an initiative measure approved by the voters as Proposition 84 at the November 7, 2006 statewide general election, authorizes the issuance of bonds in the amount of \$5,388,000,000 for the purposes of financing safe drinking water, water quality and supply, flood control, natural resource protection, and park improvements. Existing law, the California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Act of 2002, approved by the voters as Proposition 40 at the March 5, 2002, statewide primary election, authorizes the issuance of bonds in the amount of \$2,600,000,000, for the purpose of financing a program for the acquisition, development, restoration, protection, rehabilitation, stabilization, reconstruction, preservation, and interpretation of park, coastal, agricultural land, air, and historical resources. This bill would enact the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018, which, if approved by the voters, would authorize the issuance of bonds in an amount of \$4,000,000,000 pursuant to the State General Obligation Bond Law to finance a drought, water, parks, climate, coastal protection, and outdoor access for all program. The bill, upon voter approval, would reallocate \$100,000,000 of the unissued bonds authorized for the purposes of Propositions 1, 40, and 84 to finance the purposes of a drought, water, parks, climate, coastal protection, and outdoor access for all program. This bill contains other related provisions.</p> <p>An act to add Sections 5096.611 and 75089.5 to, and to add Division 45 (commencing with Section 80000) to, the Public Resources Code, and to add Section 79772.5 to the Water Code, relating to a drought, water, parks, climate, coastal protection, and outdoor access for all program, by providing the funds necessary therefor through an election for the issuance and sale of bonds of the State of California and for the handling and disposition of those funds, and declaring the urgency thereof, to take effect immediately.</p>

<u>SB 49</u>	California Environmental, Public Health, and Workers Defense Act of 2017		
Legislator/Party	De León	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 12/5/2016; Amended: 2/22/2017, 5/26/2017, 7/18/2017, 9/8/2017, 9/12/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 9/12/2017 From committee with author's amendments. Read second time and amended. Re-referred to COMMITTEE on RULES.		
Summary	<p>(1) The federal Clean Air Act regulates the discharge of air pollutants into the atmosphere. The federal Clean Water Act regulates the discharge of pollutants into water. The federal Safe Drinking Water Act establishes drinking water standards for drinking water systems. The federal Endangered Species Act of 1973 generally prohibits activities affecting threatened and endangered species listed pursuant to that act unless authorized by a permit from the United States Fish and Wildlife Service or the National Marine Fisheries Service, as appropriate. This bill would require specified agencies to take prescribed actions to maintain and enforce certain requirements and standards pertaining to air, water, and protected species. By imposing new duties on local agencies, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.</p> <p>An act to add Title 24 (commencing with Section 120000) to the Government Code, relating to state prerogative.</p>		

Legislative Status Report

As of October 2017

Bill #: SB 57	Natural gas storage: moratorium.			
Legislator/Party	Stern	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto			
Action Taken	STATUS: 9/15/2017 Ordered to inactive file on request of Senator Stern.			
Summary	<p>(1) Under existing law, the Division of Oil, Gas, and Geothermal Resources in the Department of Conservation regulates the drilling, operation, maintenance, and abandonment of oil and gas wells in the state. Existing law requires the State Oil and Gas Supervisor to continue the prohibition against Southern California Gas Company injecting any natural gas into the Aliso Canyon natural gas storage facility located in the County of Los Angeles until a comprehensive review of the safety of the gas storage wells at the facility is completed, as specified, the supervisor determines that well integrity has been ensured by the review, the risks of failures identified in the review have been addressed, the supervisor's duty to prevent damage to life, health, property, and natural resources, and other requirements is satisfied, and the Executive Director of the Public Utilities Commission has concurred via letter with the supervisor regarding his or her determination of safety. This bill would additionally require the supervisor to continue that prohibition until a specified root cause analysis of the natural gas leak from the facility that started approximately October 23, 2015, has been completed and released in its entirety to the public. The bill would, notwithstanding that prohibition, authorize the Governor to order incremental injections at the facility, but only if the Governor determines it is necessary to avoid, or respond to, an emergency situation. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Section 3217 of the Public Resources Code, and to amend Section 714 of the Public Utilities Code, relating to natural gas, and declaring the urgency thereof, to take effect immediately.</p>			

Bill #: SB 146	Water resources: permit to appropriate: application procedure.

Action Taken	STATUS: 4/28/2018 Failed deadline pursuant to Rule 61(a)(2). Last location was NATURAL RESOURCES AND WATER on 1/26/2017. May be acted upon January 2018.			
Summary	<p>Under existing law, the State Water Resources Control Board administers a water rights program pursuant to which the board grants, permits and licenses to appropriate water. Existing law prohibits the taking or possession of a fully protected fish, except as provided, and designates the unarmored threespine stickleback as a fully protected fish. This bill would prohibit the board from issuing on or after January 1, 2018, a new permit to appropriate water from any river or stream that has, or is reasonably expected to have, a population of unarmored threespine stickleback.</p> <p>An act to add Section 1257.7 to the Water Code, relating to water resources.</p>			

Legislative Status Report

As of October 2017

Bill #: SB 193	Monterey County Water Resources Agency: Lake Nacimiento and Lake San Antonio: white bass		
Legislator/Party	Cannella	<input type="checkbox"/> D <input checked="" type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 1/30/2017; Amended 3/16/2017, 6/8/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 6/8/2017 From Committee with author's amendments. Read second time and amended. Re-referred to SENATE COMMITTEE on NATURAL RESOURCES AND WATER.		
Summary	<p>Existing law establishes the Monterey County Water Resources Agency as a flood control and water agency within the County of Monterey. Existing law authorizes the agency to award a design-build contract for the combined design and construction of a project to connect Lake San Antonio, located in the County of Monterey, and Lake Nacimiento, located in the County of San Luis Obispo, with an underground tunnel or pipeline for maximizing water storage, supply, and groundwater recharge. This bill would exempt the movement of white bass between Lake Nacimiento and Lake San Antonio through the interlake underground tunnel or pipeline from the above-described provisions relating to fish and wildlife. The bill would provide that, notwithstanding any other state law, the movement of white bass through the underground tunnel or pipeline is not unlawful under state law. This bill contains other related provisions and other existing laws.</p> <p>An act to add Section 11.2 to the Monterey County Water Resources Agency Act (Chapter 1159 of the Statutes of 1990), relating to water, and declaring the urgency thereof, to take effect immediately.</p>		

Bill #: SB 231	Local government: fees and charges.		
Legislator/Party	Hertzberg	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 10/6/2017 Chaptered by Secretary of State – Chapter 538, Statutes of 2017.		
Summary	<p>Articles XIIC and XIID of the California Constitution generally require that assessments, fees, and charges be submitted to property owners for approval or rejection after the provision of written notice and the holding of a public hearing. Existing law, the Proposition 218 Omnibus Implementation Act, prescribes specific procedures and parameters for local jurisdictions to comply with Articles XIIC and XIID of the California Constitution and defines terms for these purposes. This bill would define the term "sewer" for these purposes. The bill would also make findings and declarations relating to the definition of the term "sewer" for these purposes.</p> <p>An act to amend Section 53750 of, and to add Section 53751 to, the Government Code, relating to local government finance.</p>		

Bill #: SB 252	Water wells.		
Legislator/Party	Dodd	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N

Legislative Status Report

As of October 2017

Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input checked="" type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto
Action Taken	STATUS: 10/6/2017 Chaptered by Secretary of State – Chapter 538, Statutes of 2017.
Summary	<p>(1) Existing law requires the State Water Resources Control Board to adopt a model water well, cathodic protection well, and monitoring well drilling and abandonment ordinance implementing certain standards for water well construction, maintenance, and abandonment and requires each county, city, or water agency, where appropriate, not later than January 15, 1990, to adopt a water well, cathodic protection well, and monitoring well drilling and abandonment ordinance that meets or exceeds certain standards. Under existing law, if a county, city, or water agency, where appropriate, fails to adopt an ordinance establishing water well, cathodic protection well, and monitoring well drilling and abandonment standards, the model ordinance adopted by the state board is required to take effect on February 15, 1990, and is required to be enforced by the county or city and have the same force and effect as if adopted as a county or city ordinance. This bill, until January 30, 2020, would require a city or county overlying a critically overdrafted basin, as defined, to request estimates of certain information from an applicant for a new well located within a critically overdrafted basin as part of an application for a well permit. The bill would require a city or county that receives an application for a well permit in a critically overdrafted basin to make the information about the new well included in the application for a well permit available to both the public and to groundwater sustainability agencies and easily accessible. The bill would authorize a city or county to issue a new well permit within a critically overdrafted basin when these requirements have been met. By increasing the duties of cities and counties, this bill would impose a state-mandated local program. This bill contains other existing laws.</p> <p>An act to add and repeal Article 5 (commencing with Section 13807) of Chapter 10 of Division 7 of the Water Code, relating to groundwater.</p>

Bill #: SB 276	State Water Efficiency and Enhancement Program

Action Taken	STATUS: 5/26/2017 Failed deadline pursuant to Rule 61(a)(5). Last location was APPROPRIATIONS. Move to suspense file on 5/25/2017. May be acted upon January 2018.		
Summary	<p>Existing law, the Cannella Environmental Farming Act of 1995, requires the Department of Food and Agriculture, in consultation with the Scientific Advisory Panel on Environmental Farming, to establish and oversee a Healthy Soils Program to seek to optimize climate benefits while supporting the economic viability of California agriculture by providing incentives, including loans, grants, research, and technical assistance, or educational materials and outreach, to farmers whose management practices contribute to healthy soils and result in net long-term on-farm greenhouse gas benefits. In this connection, the department has also established the State Water Efficiency and Enhancement Program to provide financial assistance in the form of grants to implement irrigation systems that reduce greenhouse gases and save water on agricultural operations. This bill would require the Department of Food and Agriculture, upon appropriation of moneys by the Legislature for this purpose, to administer the State Water Efficiency and Enhancement Program to provide financial assistance in the form of grants to implement irrigation management systems that reduce greenhouse gas emissions, save water, and reduce energy use in agricultural operations in the state, offer technical assistance to program applicants, and perform outreach to groundwater basins designated as high- or medium-priority basins, as prescribed. The bill would require the department to consult with the State Air Resources Board to quantify the reduction of greenhouse gas emissions of projects proposed to be funded under the program. The bill would further require the department to annually report to the Legislature on the accomplishments and activities of the program. This bill contains other existing laws.</p>		

Legislative Status Report

As of October 2017

	An act to add Section 568.5 to the Food and Agricultural Code, relating to water efficiency.
--	--

Bill #: SB 417	State Water Resources Control Board.						
Legislator/Party	Berryhill	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input type="checkbox"/> S	<input type="checkbox"/> O	<input checked="" type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/15/2017						
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was RULES on 2/15/2017. May be acted upon January 2018.						
Summary	<p>Existing law declares that to provide for the orderly and efficient administration of the water resources in the state, it is necessary to establish the State Water Resources Control Board to exercise the adjudicatory and regulatory functions of the state in the field of water resources. Existing law declares the intent of the Legislature to combine the water rights, water quality, and drinking water functions of the state government to provide for coordinated consideration of water rights, water quality, and safe and reliable drinking water. This bill would make nonsubstantive changes to these declarations.</p> <p>An act to amend Section 174 of the Water Code, relating to water.</p>						

Bill #: SB 427	Public water systems: community water systems: lead user service lines.						
Legislator/Party	Leyva	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S	<input type="checkbox"/> O	<input checked="" type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/15/2017, Amended 5/15/2017, ENROLLED: 8/25/2017; CHAPTERED: 9/12/2017						
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	Status: 9/11/2017 Approved by the Governor. Chaptered by Secretary of State – Chapter 238, Statues of 2017.						
Summary	<p>(1) Existing law prohibits the use of any pipe, pipe or plumbing fitting or fixture, solder, or flux that is not lead free in the installation or repair of any public water system or any plumbing in a facility providing water for human consumption, except as specified. This bill would apply the above-described provisions relating to lead user service lines to a community water system, instead of a public water system, and would require, by July 1, 2020, the community water system to provide a timeline for replacement of known lead user service lines in use in its distribution system to the State Water Resources Control Board. The bill, by July 1, 2020, would require a community water system that has identified areas that may have lead user service lines in use in its distribution system to (a) provide to the state board its determination as to whether there are any lead user service lines in use in those areas of its distribution system and provide a timeline to the state board for replacement of those lead use service lines, and (b) provide findings as to whether there are any areas for which it cannot determine the content of the user service lines and a timeline for the replacement of those user service lines. This bill contains other related provisions and other existing laws.</p> <p>An act to amend Section 116885 of, and to add Section 116890 to, the Health and Safety Code, relating to drinking water.</p>						

Legislative Status Report

As of October 2017

Bill #: SB 558	Property taxation: new construction exclusion: rain water capture system.		
Legislator/Party	Glazer	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/16/2017; Amended 4/26/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 7/20/2017 Referred to COMMITTEE on REVENUE AND TAXATION.		
Summary	<p>The California Constitution generally limits ad valorem taxes on real property to 1% of the full cash value of that property. For purposes of this limitation, "full cash value" is defined as the assessor's valuation of real property as shown on the 1975–76 tax bill under "full cash value" or, thereafter, the appraised value of that real property when purchased, newly constructed, or a change in ownership has occurred. This bill would exclude from classification as "newly constructed" and "new construction" the construction or addition, on or after January 1, 2018, of a rain water capture system, as provided. This bill contains other related provisions and other existing laws.</p> <p>An act to add Section 74.8 to the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.</p>		

Bill #: SB 564	Joint powers authorities: Water Bill Savings Act.		
Legislator/Party	McGuire	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended 4/18/2017, 6/8/2017, 7/17/2017, 8/31/2017; CHAPTERED 10/2/2017		
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto		
Action Taken	STATUS: 10/2/2017 Approved by the Governor. Chaptered by Secretary of State – Chapter 430, Statutes of 2017.		
Summary	<p>Existing law, the Marks-Roos Local Bond Pooling Act of 1985, authorizes joint powers authorities, among other powers, to issue bonds and loan the proceeds to local agencies to finance specified types of projects and programs. This bill would enact the Water Bill Savings Act, which would authorize a joint powers authority to provide funding for a customer of a local agency in the Counties of Alameda, Contra Costa, Los Angeles, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, and Sonoma or its publicly owned utility to acquire, install, or repair a water efficiency improvement on the customer's property served by the local agency or its publicly owned utility. The bill would require the customer to repay the authority through an efficiency charge on the customer's water bill to be established and collected by the local agency or its publicly owned utility on behalf of the authority pursuant to a servicing agreement. The bill would authorize the authority to issue bonds to fund the program. The bill would require an efficiency improvement to comply with certain provisions of the CalConserve Water Use Efficiency Revolving Loan Program guidelines to be eligible for financing under the bill. The bill would also make technical changes. This bill contains other related provisions.</p> <p>An act to add Section 6588.8 to, and to repeal and amend Section 6586.7 of, the Government Code, relating to water.</p>		

Bill #: SB 633	Water quality objectives: stormwater		
Legislator/Party	Portantino	<input checked="" type="checkbox"/> D <input type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O <input checked="" type="checkbox"/> W <input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended 3/23/2017, 4/26/2017		

Legislative Status Report

As of October 2017

Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto
Action Taken	STATUS: 5/26/2017 Failed deadline pursuant to Rule 61(a)(5). Last location was APPROPRIATIONS. Move to suspense file on 5/25/2017. May be acted upon January 2017.
Summary	<p>Existing law, the Porter-Cologne Water Quality Control Act, requires each California regional water quality control board to adopt water quality control plans and to establish water quality objectives in those plans, considering certain factors, to ensure the reasonable protection of beneficial uses and the prevention of nuisance. This bill would require a regional board preparing a water quality control plan for a region having a population in excess of 10 million residents to additionally consider opportunities to convey stormwater to a regional site within the watershed in which the stormwater originated for capture and infiltration and to consider the opportunity for stormwater capture when determining past and probable future beneficial uses of water, as specified. This bill contains other related provisions.</p> <p>An act to add Section 13241.5 to the Water Code, relating to water.</p>

Bill #: SB 634	Santa Clarita Valley Water Agency					
Legislator/Party	Wilk	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O	<input checked="" type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended: 4/19/2017, 5/2/2017, 5/26/2017, 7/12/2017, 8/21/2017, 9/5/2017, 9/8/2017; ENROLLED 9/19/2017					
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto					
Action Taken	STATUS: 9/21/2017 Enrolled and presented to the Governor at 5:30 p.m.					
Summary	<p>Existing law, the Castaic Lake Water Agency Law, created the Castaic Lake Water Agency and authorizes the agency to acquire water and water rights, including water from the State Water Project, and to provide, sell, and deliver water at wholesale for municipal, industrial, domestic and other purposes. This bill would repeal the Castaic Lake Water Agency Law. This bill contains other related provisions and other existing laws.</p> <p>An act to repeal Section 57114.5 of the Government Code to amend Sections 21530 and 21531 of the Public Contract Code, to repeal the Castaic Lake Water Agency Law (Chapter 28 of the First Extraordinary Session of the Statutes of 1962), and to create the Santa Clarita Valley Water Agency, and prescribing its boundaries, organization, operation, management, financing and other powers and duties relating to water districts.</p>					

Bill #: SB 669	Sustainable groundwater management: adjudicated groundwater basins.					
Legislator/Party	Moorlach	<input type="checkbox"/> D	<input checked="" type="checkbox"/> R	<input type="checkbox"/> S <input type="checkbox"/> O	<input checked="" type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/17/2017					
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto					
Action Taken	STATUS: 5/12/2017 Failed deadline pursuant to Rule 61(a)(3). Last location was RULES on 2/17/2017. May be acted upon January 2018.					

Legislative Status Report

As of October 2017

Summary	<p>Existing law, the Sustainable Groundwater Management Act, requires all groundwater basins designated as high- or medium-priority basins by the Department of Water Resources that are designated as basins subject to critical overdraft to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2020, and requires all other basins designated as high- or medium-priority basins to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2022, except as specified. Under existing law, the provisions of the act do not apply to an adjudicated groundwater basin, as specified, or to a local agency that conforms to the requirements of an adjudication of water rights for an adjudicated groundwater basin. This bill would make a nonsubstantive change in these provisions.</p> <p>An act to amend Section 10720.8 of the Water Code, relating to groundwater.</p>
----------------	---

Bill #: SB 693	Lower San Gabriel River Recreation and Park District						
Legislator/Party	Mendoza	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S	<input type="checkbox"/> O	<input checked="" type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended: 6/20/2017, 7/3/2017; CHAPTERED 10/3/2017						
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input checked="" type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input checked="" type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	STATUS: 10/3/2017 Approved by the Governor. Chaptered by Secretary of State – Chapter 466, Statutes of 2017.						
Summary	<p>Existing law provides a process for the establishment of recreation and park districts, which includes certain provisions of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, and provides that a recreation and park district may organize, promote, conduct, and advertise programs of community recreation, establish systems of recreation and recreation facilities, and acquire, construct, improve, maintain, and operate recreation facilities. Existing law enumerates the powers and duties of recreation and park districts. This bill would specifically authorize the establishment of the Lower San Gabriel River Recreation and Park District, by petition or resolution submitted to the Los Angeles County Local Agency Formation Commission before January 1, 2020, subject to specified existing laws governing recreation and park districts, including their formation, except as provided. The bill would authorize specified city councils and the Los Angeles County Board of Supervisors to appoint members to, and the executive officer of the conservancy to serve as a member on, the initial board of directors of the district. The bill would also authorize those members of the initial board of directors to appoint an additional member who is a representative of a nonprofit organization, as described, to the board. The bill would specify that certain of the enumerated powers and duties of the Lower San Gabriel Recreation Park District provided by existing law are subject to the review and approval of the Los Angeles County Local Agency Formation Commission upon formation, change of organization, or reorganization under the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. The bill would specify that the district has financing authority under existing law and would further prescribe additional functions and duties of the district, including, but not limited to, the acquisition, construction, improvement, maintenance, and operation of open space and parks along the Lower San Gabriel River. Because a violation of an order or rule of the district would be a crime, this bill would impose a state-mandated local program. The bill would require the district to conduct those functions and duties in coordination with the conservancy. This bill contains other related provisions and other existing laws.</p> <p>An act to add Article 14 (commencing with Section 5796) to Chapter 4 of Division 5 of the Public Resources Code, relating to the Lower San Gabriel River Recreation and Park District.</p>						

Bill #: SB 778	Water systems: consolidations: administrative and managerial services.						
Legislator/Party	Hertzberg	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S	<input type="checkbox"/> O	<input checked="" type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/17/2017; Amended: 4/5/2017, 5/26/2017, 7/13/2017						
Status	<input checked="" type="checkbox"/> Amended <input type="checkbox"/> Failed <input checked="" type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	STATUS: 9/1/2017 Failed deadline pursuant to Rule 61(a)(12). Last location was APPROPRIATIONS on 8/23/2017. May be acted upon January 2018.						

Legislative Status Report

As of October 2017

Summary	<p>Existing law declares it to be the established policy of the state that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes. This bill would require, on or before March 1, 2018, and regularly thereafter, as specified, the state board to track and publish on its Internet Web site an analysis of all voluntary and ordered consolidations of water systems that have occurred on or after July 1, 2014. The bill would require the published information to include the resulting outcomes of the consolidations and whether the consolidations have succeeded or failed in providing an adequate supply of safe drinking water to the communities served by the consolidated water systems. This bill contains other existing laws.</p> <p>An act to amend Section 116682 of the Health and Safety Code, relating to drinking water.</p>
----------------	--

Bill #: SCA 4	Water conservation.						
Legislator/Party	Hertzberg	<input checked="" type="checkbox"/> D	<input type="checkbox"/> R	<input type="checkbox"/> S	<input type="checkbox"/> O	<input checked="" type="checkbox"/> W	<input type="checkbox"/> N
Date	Introduced: 2/2/2017						
Status	<input type="checkbox"/> Amended <input type="checkbox"/> Failed <input type="checkbox"/> From Printer <input type="checkbox"/> To Printer <input checked="" type="checkbox"/> Referred to <input type="checkbox"/> From Committee <input type="checkbox"/> In Committee <input type="checkbox"/> Signed <input type="checkbox"/> Veto						
Action Taken	STATUS: 2/16/2017 Referred to COMMITTEE on RULES, Senator de León, Chair.						
Summary	<p>they are capable and that the waste or unreasonable use or unreasonable method of use of water be prevented. This measure would declare the intent of the Legislature to amend the California Constitution to provide a program that would ensure that affordable water is available to all Californians and to ensure that water conservation is given a permanent role in California's future.</p> <p>A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by adding Article X C thereto, relating to water.</p>
