NOTICE

Please be advised that on September 20 – 22, 2019, a quorum of the Board of Directors of Three Valleys Municipal Water District may participate at an open and publicized bus tour of the Metropolitan Water District of Southern California at various facilities along the State Water Project and Central Valley Agriculture area, with overnight stays in Sacramento and Los Banos.

These tours are open to members of the public and require advanced reservations due to security and coordination requirements.

The tour will commence with an introduction session at the district office located at 1021 East Miramar Avenue, Claremont, CA beginning at 7:00 a.m. on Friday, September 20, 2019 with departure shortly thereafter. Members of the public are welcome to attend the introduction session. A copy of the tour itinerary is available upon request.

Pursuant to Government Code Section 54952.2(c)(2), any such assemblage of the Board will not be a meeting subject to the requirements of the Ralph M. Brown Act, Government Code Sections 54950 - 54962 (Brown Act), since a majority of the Members of the Board will not discuss among themselves, other than as part of the scheduled program, any business of a specific nature that is within the subject matter of TVMWDs jurisdiction.

If you have any questions or comments, please feel free to contact Nadia Aguirre, Executive Assistant, at (909) 621-5568 during the district's regular business hours.

I certify under penalty of perjury that this declaration was posted on Monday, September 16, 2019 at the district office and on the district website in accordance with requirements under the Ralph M. Brown Act.

A handwritten signature in blue ink, appearing to read "MHL", is written over a horizontal line.
